Let's celebrate ..... birthday together at  
Phoenix Bike Park! We are excited to invite  
..... to this one-of-a-kind birthday party.

If you haven't been before, you'll need a bicycle and a helmet to ride. Don't have one? Rentals are available. Prepare to have the best time! There's no need to dress to impress—just be comfortable. However, avoid wearing baggy clothing. Keep an eye on the weather and bring spare clothes to change into if rain is forecasted.
